

Declaration

I will work for the duty and social responsibility for CDM/JI designated operational entity aiming at improvement of environment that the earth and people desperately need, through reduction of greenhouse effect gas.

I am not engaged in any acts of dishonesty, fraudulent practices, and any other acts that are not suitable for function of the designated operational entity, nor am I in litigation by an act related to these.

June 19, 2008

Representative Director (Yasunori SHIMOI)
